City Prohibiting Sexual Offenders/Predators from City Parks

The Milton City Council passed city ordinance 1238-07, relating to rules and regulations for public parks and recreational facilities in the City of Milton; prohibiting persons required to register as sexual predators or sexual offenders from entering or occupying city parks.

By passing such an ordinance, the City is dedicating to its citizenry safety within city property. The City Council recognizes sexual offenders and predators pose a threat to public safety and therefore are prohibited to enter or occupy space within City of Milton parks and recreational facilities.
