

City of Milton Press Release

June 13, 2007

Ordinance Requires Sodding of All Areas

The City of Milton passed Ordinance 1236-07 requiring all disturbed land areas to be sodded within two weeks; after such date the City of Milton may require that a non-vegetative option be employed. Current ordinance requires all residential development sod all disturbed land. This new ordinance would expand the requirement to other developments reducing siltation, runoff, and improving appearance.
